

1 Day | Folkmoot International Festival

North Carolina's Official International Festival is a celebration of the world's cultural heritage through folk music and dance. **Folkmoot USA** is held each summer in the beautiful mountains of Western North Carolina. The festival features folk music, dance, and culture from around the world. See dancers performing in their colorful native costumes and dancing in the traditional old world style. The street becomes a world bazaar as regional artisans and food vendors join the international groups who bring their native crafts to sell. Groups perform throughout the day along Main Street. Come with us as we visit the lovely town of **Waynesville** and the 2021 Folkmoot Festival.
