

1 Day | Lake Lure & Chimney Rock

National Geographic calls it "one of the 10 most beautiful lakes in the world." Experience the unique beauty on our narrated **Lake Lure Cruise**. We'll see the location where portions of the blockbuster movie, *Dirty Dancing*, was filmed, hear the story of Snake Island & view homes of the rich & famous. After the cruise we have lunch at Lake Lure Inn. In the town of Chimney Rock we'll have time on our own for browsing shops. At **Chimney Rock Park** we'll take the elevator to the top of the rock where on a clear day you can soak in the 75-mile panoramic views of Lake Lure & Hickory Nut Gorge. Chimney Rock is considered one of the most iconic sites in North Carolina.
